

Program Polardistans 2022

THE PROGRAM IS PRELIMINARY.

We follow the development of Covid-19 closely and will adjust the program to the Swedish Public Health Agency's current recommendations.

- Veterinary pre-check of dogs and inspection of mandatory equipment is done after the musher has registered in the secretariat.
- Control weighing of dogfood (emergency ration) is done before starting by the musher. The emergency ration must be transported in a sealed bag and checked by the race judge at the finish.
