

# POLARDRAGET 2023

Svenska Polarhundklubben (SPHK) invites you to a race in a pleasant mountain environment.  
Dates: 9 - 11 March, 2023. Location: Särna Camping. Distance: app. 100 km.

The idea is to offer a mid-distance race to both experienced and new mushers. SPHK feels that there are some mushers who would like to participate in mid-distance and perhaps also in the longer term in long distance races, but that there are no races that provide the opportunity to test and prepare themselves and their dogs to participate in mid- and long-distance races in a mountain environment. Now there is an opportunity; **Polardraget**.
